12. STATE ESCHEATMENT LAWS

Escheatment laws adopted by various states require that personal property that is deemed to be abandoned or ownerless, including mutual fund shares and bank deposits, be transferred to the state. Under such laws, ownership of your Fund shares may be transferred to the appropriate state if no activity occurs in your account within the time period specified by applicable state law. The Fund retains a search service to track down missing shareholders and will escheat an account only after several attempts to locate the shareholder have failed. To avoid this from happening to your account, please keep track of your account and promptly inform the Fund of any change in your address.

13. SIGNATURE(S) & CERTIFICATION (REQUIRED)

We must have signatures to process your Application and to certify your Taxpayer Identification number. IRS regulations require your signature to avoid any backup withholding.

W-9 Certification: Under penalty of perjury:

- (a) **I certify that the number shown on this form is my/our current Social Security number(s) or Taxpayer Identification number(s).**
- (b) **I am not subject to backup withholding either because I have not been notified that I am subject to backup withholding as a result of failure to report all interest or dividends, or the Internal Revenue Service has notified me that I am no longer subject to backup withholding.**
- (c) **I am a U.S. person (including a resident alien.) The Internal Revenue Service does not require your consent to any provision of this document other than the certification required to avoid backup withholding.**

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account effective October 1, 2003.

What this means for you: When you open an account, we will ask for your name, address, date of birth, social security number/ Tax ID number and other information that will allow us to identify you. We may also ask to see other identifying documents. Until you provide the information or documents we need, we may not be able to open an account or effect any additional transactions for you.

When opening an account for a foreign business, enterprise or a non-U.S. person that does not have an identification number, we require alternative government-issued documentation certifying the existence of the person, business or enterprise.
